Summary

Creative technologist who designs and builds visual products, from the brand and playable interface of an online arcade to interactive client products. Led the technical launch of Quadrillion Art's 21-artist collaboration and built the release experience with a designer.

Skills

- Brand and landing experience
- Game frontend and tutorials
- Homepage design and deployment
- TypeScript and rendering

Professional Experience

Founder / Product Engineer / Systems Lead

Technomancy IT LLC

Present

- Own the path from a client's initial need to a shipped web product.
- Build and operate the shared services underneath client products and provide direct ongoing support.

Senior Systems Engineer / Datacenter Architect

Front Range Internet Inc.

2015 - 2020

- Maintained hosted web services and handled billing-system development and replacement.
- Led escalations and built repeatable diagnostics to check that services recovered.

Systems / Software Engineer

Office Evolution

2014 - 2015

- Built a front-desk interface for self-service Wi-Fi resets and troubleshooting.

Network & Systems Engineer

PlumChoice / Everon

2012 - 2014

- Resolved systems and endpoint issues for managed-service customers and documented repeatable diagnostic steps.

Infrastructure and Systems Focal

IBM

2010 - 2012

• Built an internal backup tool to avoid additional software licensing and automated support workflows.

Selected Projects

kthx.fun / Ricoshot

Independent product

• Created the brand and built the complete online arcade, from its landing page and arena browser to the playable game and onboarding.

Velatis

Completed client delivery

• Delivered a private visual research product combining interactive charts, contextual notes and optional AI support in one study workflow.

TokenGators

Technomancy IT client

2023 - 2025

• Worked with the artist and client team to build a generator for the artwork and create the website. The client’s homepage retains my design.

Education

Front Range Community College

Computer Science coursework

2011 - 2013

Certifications and Training

CompTIA A+ | CompTIA | Earned

CompTIA Network+ | CompTIA | Earned
